## CALL FOR QUOTATIONS

### To Design and Construct Therapeutic Patient Education tools for children with Arthritis

---

Can you design and create Therapeutic Patient Education (TPE materials meant for workshops aimed at educating children with Arthritis about their condition? Kindly send a portfolio of your previous work and a pricing proposal to: [info@paflar.org](mailto:info@paflar.org) not later than September 30th, 2023, for our consideration.

The chosen agency will be expected to possess the following qualifications:

1. Proficiency in Developing Therapeutic Patient Education Tools for Activities: Familiarity with TPE tools is crucial for this project.
2. Solid understanding and application of Child Psychology: An in-depth comprehension of children's psychological assessments is indispensable.
3. Capability to Meet Strict Timelines:
4. Effective Communication Skills: The ability to collaborate and communicate efficiently with the workshop coordinator and instructors is essential for ensuring a seamless process.

We will reach out to successful applicants for further discussions and details.

Best Regards,

PAFLAR Secretariat
